

Series 1

FOREST | FORAGE | WILD GAME

Take one of the finest British traditions, combine it with champagne and give it a touch of British Columbia - and you have ACRE's seasonal Afternoon Tea. In cooperation with Veuve Clicquot & Tealeaves Tea, ACRE has reinterpreted the classic English Afternoon Tea and it is served in a beautiful setting. Untraditional and eclectic seasonal specialties are featured and specially composed tea is served to complement the taste of champagne.
